

Mayor and City Council Update February 2, 2018

To: Mayor and Council
From: Administration
CC: Department Heads

Library

- First Sunday Lecture – Mary Moore will present on the life of Georgia native, Susie King Taylor, a Civil War nurse. The lecture will be Sunday, February 4, at 3:00 p.m. in the Smyrna Library Meeting Room.
- Smyrna History Class – William Marchione begins his six-week lecture series on the history of Smyrna on Monday, February 5, at 6:30 p.m. in the Smyrna Library Meeting Room. Over 50 people have registered for the series.

Public Works

- Public Works crews worked on addressing pot hole and road cut work orders this week. Landscaping items were also addressed. Pre bid conference was held this week for the Public Works storm sewer and detention pond. A mandatory pre bid meeting was held this week for the Basin 3 sanitary sewer outfall sewer project. Public Works management staff were given the opportunity to meet and introduce themselves to the Mayor and Council this week and enjoyed the opportunity given them.
- Spring Road Improvement Project - The contractor, Baldwin Paving, worked on a few punch list items this week.
- Windy Hill Road Blvd. Project - Demolition of 901 Windy Hill Road should be completed Friday. Abatement of asbestos at 725 Windy Hill Road started this week. Abatement of asbestos at 1041 Windy Hill Road is scheduled to start Monday.
- Fire Station #2 - The foundation slab pour for the new fire station is scheduled for Saturday.
- Clifton Road Storm Sewer - This project is now at 95% complete, due to weather and the availability of sod landscaping in the area remains to be completed.
- Paving Projects - The punch list remains at 75% complete.
- Sewer Replacement Under So. Cobb at Floyd - No Work was conducted on the punch list this week.
- Pretty Branch to Lee Street Sewer Replacement - Punch list remains at 99% complete.

Fire Department

- Incidents – Fire – 6; Medical – 87; Other – 50.
- Administration - The Smyrna Fire Department is excited to announce that we will be presenting not one but TWO classes this year at the Metro Atlanta Firefighters Conference. We will be teaching “Thermal Imaging: Beyond the Basics” as well as “How to Lead When You’re Not in Charge.”
- Training - This week, the entire command staff conducted supervisory training for all newly promoted engineers and lieutenants. The course was taught over three days and focused on topics related to succeeding in their new role. The class was a huge success and will serve as a building block for future leadership development opportunities at SFD.
